

# Welcome to the Willow Room

**Week of  
September 27<sup>th</sup>**

## Reminders:

\* Literature Circle homework is due Thursday, October 6<sup>th</sup>. Students need to finish reading Chapter 5 and perform the job of "Word Wizard."

\* ADD Math will be going home today. Half of ADD Math is due on Tuesday, since there is no school on Monday. The students will then have their work plan time to finish the other half.

\* Uniform Buy-out Day.

\* Spelling has started! Students will have a spelling test on Friday, October 7<sup>th</sup> on Lesson 2 in their spelling book.

## October Book Report

Please start looking for a book for the month of October. Students will need to choose a biography to read. Talk to your child about who/what interests them in order to find a biography that will hold their interest and one that will engage them! Students will need to create a timeline of that person to present to the class. Oh...and they'll need to dress like that person, too! A rubric will be sent home (and posted on our classroom website), explaining all of the timeline requirements. If you are unable to find a biography from your local library, please let me know as soon as possible. I only have a few biographies in our classroom library to loan out.

In an effort to "Go Green," I will be emailing weekly newsletters, as well as posting them on our classroom website:

## FIELD TRIP

- The Detroit Science Center is currently closed due to financial reasons, so the field trip has been cancelled. We are looking in to planning another field trip at the end of October.
